SalesViewer Technology compliance:

We have implemented SalesViewer® technology, owned by SalesViewer® GmbH, to gather and store data for research, marketing and optimization purposes. This data allows creating user profiles under fictitious names. Tracking scripts are being applied to help generate simple company information. This information can neither be used to personally identify a visitor of the website without his/her explicit permission, nor can personal information be associated with his/her fictitious name.

Generating and storing information can be denied at any time in the future by simply logging in to <https://www.salesviewer.com/opt-out>. This way an opt-out-cookie for this particular website will be implemented on your device. In case you are deleting cookies in this browser you must click the above link again.
